

CADDIES CREEK PUBLIC SCHOOL

Term 4 Week 5

14th November 2019

News from the Principal

Dear Parents,

Tuesday was quite a scary day. In all my years working in public schools, I have never heard of the Education Department closing as many schools as they did. Even though conditions were horrible, thankfully it was not as bad as it might have been. I did hear a spokesman for the Department say, "If people accuse us of being over cautious, we'll cop that." And fair enough too. Safety of kids is always the most important factor. Even though temperatures were not extreme levels earlier on, we still kept the children in all day on Tuesday as air quality was pretty poor.

I told you that Ellie D competed at the State Athletics Carnival at Homebush in the 1500m previously, and I also mentioned she would give her all. I was right! Ellie beat her personal best time by twenty seconds in the race. Twenty! What a phenomenal effort against the best athletes in the state. Congratulations on a fantastic performance Ellie!

Well, only two sleeps to go until the Twilight Markets on Saturday! It has come around again so quickly. Weather forecasts say it will be a lovely day, so all systems go! The amount of work that goes into organising an event of this size is enormous, and my thanks again go to the P&C Executive of Jacqui Hoad, Vanessa McRae, Natasha Mayne, Linda Mobbs and Belinda Richardson, along with the vast numbers of parent volunteers. My thanks also to the many staff members who have put their hand up to help on the day. The best outcomes always occur when the school and community work together for a common cause.

I mentioned last week I was at Seven Hills High School on Thursday to see a group of our very clever senior students displaying their special project. The Blacktown Learning Community (BLC) had a "STEAM" (Science, Technology, Engineering and Mathematics) Expo that is in its third year. Students from primary schools across the Learning Community presented their ideas for a "Smart Home." There were over twenty schools represented. This was the first year we have participated, and the Caddies kids did a brilliant job with their house and they explained it so well to the hundreds of adults and students wandering around. Congratulations to our students and again congratulations to Mrs Henson who worked so hard together.

We are currently in the throes of electing school leaders for 2020. Year Five has already nominated students and voted to see which ten boys and girls will go on the ballot sheet. These students will deliver a two minute speech to Years 2-6 in a couple of weeks and then the students and the teachers will vote. Three girls and three boys will be elected as leaders, so obviously a lot of lovely children will be disappointed. Breaking the news to those students prior to Presentation Day is easily my worst job of the year! The good news is there are plenty of other leadership opportunities for students in 2020, such as sport captains, library monitors, and a range of other important roles in the school.
