

CADDIES CREEK PUBLIC SCHOOL

Term 4 Week 7

28th November 2019

News from the Principal

Dear Parents,

It was great to see all the parent helpers at the Morning Tea yesterday. We have so many parents who play so many roles at the school, it is mind-boggling. Every job is important, from helping in and out of class, to covering books, to sewing costumes – it all comes together to help our large school run more smoothly. All of your efforts are very much appreciated, and as I said yesterday, we will be hiring again in 2020. I can't guarantee the remuneration, but the conditions are good and the job satisfaction is enormous!

Tuesday night was the Caddies Creek P&C Annual General Meeting. It was a well-attended meeting and the final one for the year. Congratulations to the 2020 elected Executive:

President – Vanessa McRae Vice Presidents, Fundraising – Emma Willis, Jacqui Hoad
Secretary – Belinda Richardson Treasurer – Linda Mobbs

Our School Presentation Day is next Thursday, 5th December. Wow, that came along quickly! Exact times are later in the Chronicle. We have four, rather than the usual three assemblies that day, as we want to spread the students out and try to get parents as close to the action as we can (without requiring binoculars!). It is an even week next week, and one we would normally have formal assemblies in. **But since we will be having four assemblies on the Thursday next week, rather than have seven assemblies in two days, we will have our last formal assembly the following Friday in Week 9, 13th December.**

I have some happy and sad news for you. Mr Ison has been successful through merit selection in becoming principal of Galston Public School. We are thrilled for Mr Ison, but also sad as he has been at Caddies since 2012 and has had a positive impact on the lives of many students and their families. He was at the Twilight Markets and I'm sure we will still see him here and there around the traps. We will look to advertise for a new Deputy Principal early in the New Year.

Some of our teachers are doing amazing things in international sport. Mr Moyes has just come back from South Korea over the weekend for the Rugby Sevens Asian Olympic qualifier and heads to Dubai for a few days next week. Mr Ryan has left for Tokyo where he is coaching athletes in both the Senior World Championships and the World Age Championships in trampolining. Teachers excelling as well as students!

We are currently looking at plans, programs and classes for 2020. We are in close communication with teachers about how their classes have gone this year and what things have worked. They also give us feedback about which students have worked well together and which ones perhaps would benefit from a little more space. We also, once we have a pretty good idea about classes, try to match students as best we can with a teacher we think would be good for them. This is a very time consuming but beneficial exercise. From time to time, we receive requests from a parent requesting a particular teacher for their child. As you can imagine, it is very difficult to do this, as that teacher may not be on that grade next year. And even if they were, can you imagine if everyone did that? I shudder to think. And think about the missed opportunity of not having a teacher you don't know very well, who might turn out to be the best thing ever to happen to your child!

Bottle Caps for Envision - Last Week of Collecting

Thank you for the great amount of bottle caps that you have generously given us to support the Envision project. We have now collected over 5000 caps. Could we please ask you to bring in all of your bottle caps that you have been saving at home with a '2' or a '4' in the recycle triangle before the end of next week. We will then arrange transportation of these caps to Envision so they can use them to make prosthetic hands for children in war torn or developing countries. Thank you for spending your time to collect the bottle caps.

P & C News

The Last P&C run event for 2019 will be a **Welcome to Summer** themed Disco on tomorrow Friday 29th November 2019

Times: **K-2:** 5:00 – 6:15pm,
 3-6: 6:30 – 8:00pm

We just ask that the kids come dressed in comfortable bright Summer clothes to dance up a storm. Foot wear must be worn (Please no swimming costumes).

School discos staged by the P&C are supervised by P&C Volunteers and teaching staff. We kindly ask that parents drop the children off at the hall at their allocated time and pick them up from the hall at the conclusion of their child’s disco session. Parents are not permitted in the hall during the disco.

It’s going to be an awesome night! **It’s not too late to purchase a ticket - they will be on sale Friday 29th November 2019** under the COLA from **8:30am-9am**. Tickets will be \$6 each. Cash is accepted. An EFTPOS option will be available enabling parents/carers to purchase tickets with credit/debit cards. (Please note as standard with these facilities a merchant fee will be incurred).

For this disco the P&C would like the Caddies students to pick some songs to add to the disco play list, so when the kids purchase their tickets be sure to let the volunteers know if they have a favourite song.

AGM & Meeting – Thank you to all those that attended the P&C Annual General Meeting on Tuesday night, followed by our November meeting. A further update regarding the 2020 Executive will be provided in next week’s Chronicle.

That was our last meeting for the year. We would sincerely like to thank everyone who has attended meetings in 2019 and we look forward to seeing you again, along with some new faces in February 2020.
