Dear Parents,

Today is easily my worst job of the year – telling all those fabulous Year Five students who were, and who weren't, elected school leaders for 2021. Usually there are a couple of tears here and there but usually the kids are pretty good about it. It's very hard when you have 139 students in the grade and only 6 are elected. There will be plenty of other leadership opportunities next year for many students, and this year's Year Five are such a great group that I can't wait until next year when they show off their skills in different areas.

As you can imagine there has been much talk amongst schools regarding their end of year presentation assemblies. Principals, up until less than a week ago, were still seeking clarification. The guidelines do state that if we had a mix of parents and students at a presentation assembly, the 4 square metre rule would apply to everyone, including students. This is the same with the Year 6 Farewell. This means 76 people maximum at a time in our hall. Since our smallest cohort is 130 students, there was sadly no way we could have parents attend (unless we had 20+ assemblies!). I probably can't say I am as disappointed as those parents, but I'm close! There is nothing better than seeing the delight on parents' and students' faces as they receive their award. Letters went home last week to parents whose children are to receive awards.

Next week's Presentation Assemblies (there will be seven – one for each grade) look like this:

Wednesday 2nd December – Year 5, Year 6, Year 3 and Year 4 (We are having Year Five first so we can announce the School Leaders)

Thursday 3rd December – Year 1, Kindergarten, Year 2

We will be recording the assemblies and putting them on Google Classroom/Class Dojo, so hopefully when your child comes home you will be able to watch it together (multiple times if you wish!).

This week Year Five and Year Three students completed the School Readiness Test, which was a mock single online test to see how doing NAPLAN online at Caddies Creek in 2021 would go, student wise and system wise. It went quite smoothly, which bodes well for next year. It still will be a challenge with a school of our size – if we have five Year Three and five Year Five classes next year for example, and each student does the regular NAPLAN of four tests, that makes forty tests over a two week period to be completed.

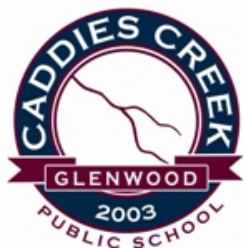

Today was also the last day of Kindergarten Orientation, and as I said before, even though it was a different format this year, all seemed to go really well. I would like to thank Mrs Nammour, the class teachers and all our other support staff who made things run so smoothly. We are looking at five Kindergarten classes for next year at this stage, so to all those Kinder 2021 parents, please don't assume the groups they were in for the last two weeks are "the group" they will be in (maybe reinforce that to them over the Christmas break).

As we are heavily involved in the structure of what 2021 classes would look like, if you are moving and are leaving the school please let the office staff know as soon as possible. A few students here and there could mean the difference between having one less class or one more class in 2021.

Later in this Chronicle is this week's showcase of student work – this week it is from Year Four.

Caddies Creek Public SchoolP&C Monster Christmas RaffleThis Week's  
Quote

*"When one  
teaches, two  
learn."*

Assembly  
Times

Friday assemblies  
are postponed  
until further  
notice.

A huge thank you to those people who have already returned their raffle ticket stubs and money. It is great to see so much support out there for the school and wonderful that so many kids (and parents) have already been able to sell their tickets to family and friends.

Each student brought home a book of raffle tickets in week 4. Tickets are \$1 each and all funds raised go straight back to supporting the incredible Caddies students and staff. Please return all books and money to the front office in an envelope by *Monday 7<sup>th</sup> December 2020*. **The raffle prizes will be drawn on Wednesday 9<sup>th</sup> December 2020.**

A second big thank you goes to those people who have already kindly contributed to our P&C Hamper Donations box in the Front Office. There are some wonderful Christmassy treats in there and we have had to empty the box a few times.

In order to make our Raffle Hampers more festive and even bigger and better we would like to request donations from the school community of Christmas items including non-perishable food items (with an expiry date of 2021 or later), decorations and other Christmas items. Donations can be brought to school by the students and placed in the Christmas box inside the school office.

As mentioned in previous Chronicles the P&C have more recently held our Monster Raffle as a part of the Twilight Markets, BUT as with many things this year we have had to make some changes and adapt our plans.

So this year we are excited to announce that we will be having a **P&C Monster Christmas Raffle** proudly sponsored by **Emmanuel Fardouly** at **Raine & Horne Bella Vista / Glenwood**. Emmanuel has kindly come on board to help us make our hampers even more amazing.

Our three major prizes will be:

- First prize - **\$250 VISA cash card** (proudly provided by Raine & Horne Bella Vista / Glenwood) plus a Christmas Hamper
- Second prize - **\$150 VISA cash card** (proudly provided by Raine & Horne Bella Vista / Glenwood) plus a Christmas Hamper
- Third prize - **\$85 VISA cash card** (proudly provided by Raine & Horne Bella Vista / Glenwood) plus a Christmas Hamper

In addition to this, we then hope to have many more winners of prizes and hampers.

We were lucky enough to have received some fabulous vouchers and prizes from local businesses that were to be used to fundraise at the P&C Trivia night that was unfortunately cancelled in June. However, these awesome businesses have asked that we include them in the Monster Christmas Raffle Prize list. Their ongoing support and generosity are greatly appreciated.

## Raine&Horne®

In last week's chronicle there was a misprint regarding the AGM and meeting and it should have read that the December meeting will follow the AGM on the 1st December.

The Caddies Creek Public School **P&C AGM** will be held on **Tuesday 1<sup>st</sup> December 2020**, commencing at **7pm**, in the teacher's staffroom followed by the December meeting commencing at approximately 8pm.

If you wish to join the AGM & Meeting please email the P&C Secretary on [ccps\\_pandcsecretary@yahoo.com.au](mailto:ccps_pandcsecretary@yahoo.com.au) by Friday 27<sup>th</sup> November, as numbers are limited. This is a great opportunity to hear from the School Executive and interact with P&C. Everyone is welcome.

**Merit Awards** – Each week two children in each class receive a **Merit Award** to acknowledge the excellent work they are doing in the classroom (20<sup>th</sup> November):

I really liked making Literature Showbags during Library CPT. I used the internet to research facts about my author, Aaron Blabey. His picture book was called 'Pig the Winner'. Suhavi

My favourite activities were playing sports such as Newcombe, Kickball and Survival Tag. The class did all kinds of activities and was very entertaining. Gurshaan
