

# CADDIES CREEK PUBLIC SCHOOL

Term 4 Week 8

3<sup>rd</sup> December 2020

## News from the Principal

Dear Parents,

It's been a strange couple of days – having Presentation Assemblies without the thunderous applause of parents, and listening to, but not singing, the National Anthem. You wouldn't have known the kids had not been in assembly since March though – their behaviour was impeccable (maybe the knowledge that the assembly was being filmed might have helped!). Speaking of filming, my sincere thanks to Glenwood High School and their principal Sonja Anderson for loaning us staff, students and equipment to film the events in high quality, and even editing it as well for us. Our close links with Glenwood High have never been so evident and so appreciated.

Last Tuesday night the P&C conducted their first face-to-face meeting for quite some time. We even welcomed some Kindergarten parents who were “newbies” even they have been here for nearly a whole year! It was also the P&C AGM, and the following parents were elected to the Executive:

**President** – Vanessa McRae

**Vice Presidents Fundraising** – Emma Willis and Jacqui Hoad

**Secretary** – Belinda Richardson

**Treasurer** – Linda Mobbs

I look forward to working with these outstanding people in the New Year.

As you can imagine it has been a bit tricky working out what groups can do to celebrate the end of year. Movies, with the size of our cohorts, are too difficult to coordinate as the students would have had to have been spread out over multiple theatres which might not be available to schools. Year Six are still able to do bowling, following the COVID safe guidelines of the centre. I have told teachers of other grades I am happy for them to have a session where they can get together with their grade and have fun activities, watch a movie or have a picnic (individual food only – not to be shared). We are still finalising what the very last day of school (Wednesday 16th December) will look like for Year Six. We will still be trying to do all we can to make the end of this crazy year memorable for the students.

This week the School Leaders for 2021 were announced. They are:

**School Captains** – Ameera S and Lucas B

**School Vice Captains** – Chelsea H, Cooper DS, Eva C and Evan H.

Congratulations to those students, and I have every confidence you will do a brilliant job next year.

It has been a while since I mentioned traffic in the Chronicle. Maybe it's because I have been at the front gate rather than the side of an afternoon, so I am in blissful ignorance. Our simple requests for Currawong St remain constant – if you are able to leave your pick up until 3:10pm please do so, as you will find there are plenty of spots, and if you must arrive closer to 3pm, further up the street there is almost certain to be spaces. How parents can choose to illegally double park and call their child to their car is beyond me. And even if you miss a space the first time, it's not the end of the world. Mrs Sarkozi and Mrs Buyruk are there every afternoon and your child will be safe if you have to take an extra few minutes.

This week would have been the last “formal” assembly in a normal world, but if this year has taught us anything, it has taught us to be flexible. So we will endeavour to get Principal's Distinction badges and Excellence Awards to students in coming weeks if at all possible.

**David Beggs**  
**Principal**
