

CADDIES CREEK PUBLIC SCHOOL

Term 3 Week 3

6th August 2020

News from the Principal

Dear Parents,

As we near the end of our second week of new drop off/pick up arrangements I would again like to thank the vast majority of our wonderful parents who have supported the school with this. Most people have got into a regular pattern now waiting across the road at Alwyn Lindfield Reserve, easily distancing themselves from others. Our very mature Kindergarten students are leaving the school like a well-oiled machine, and I thank our Kindergarten teachers for their assistance. Again, please remember to distance yourself and stay clear of the fence – kerbside is the good side. I know it can be a bit trickier for some, but virtually all payments or inquiries can be done either by phone, though school email or online.

Upcoming Events

13/08 – Beanies for Brain Cancer Day

14/08 – Matt Cosgrove Author Visit for Kindergarten & Year 1

Yesterday a one page report was distributed to families. The Department recommended schools not use the usual A-E reporting method, but for Semester Two it will revert to the usual report. Teachers have written a comment on your child's learning, work habits and any other relevant matters. As I mentioned last week, because this is obviously not as extensive as a regular report, you may wish to contact the classroom teacher (phone preferably) to gain a greater insight on your child's progress.

As I have mentioned in the last few Chronicles, this is an Education Week like no other. Of course we still celebrate the inclusiveness, the excellence and the care that happens each and every day in Public Education, but it is always better to share the joy when we have visitors to our school. Sadly not the case this year. I am still delighted to hear from some staff members that their links with parents have actually been enhanced by the situation we're in, which is wonderful.

I promised you pictures last week, so here they are! If you recall last week I mentioned we are modifying our uniform as the "old" material was getting harder to source. This is the delightful Amber modelling the latest in fashion from the Caddies Creek Collection. It has a cute little CCPS on the back of the collar too. A breathable, non-iron (woo-hoo!) shirt that will be a great inclusion.

Beanies For Brain Cancer

This year our **Beanie day for Brain Cancer** will take place on **Thursday 13th of August**. It's easy to take part, all you have to do is **wear a beanie** and bring in a **gold coin donation**. Brain cancer is the leading cause of cancer death in children, and adults aged under 40 in Australia, yet alarmingly very little is known about brain cancer, its causes or how it is treated! Approximately 1200 Australians die of Brain Cancer each year.

To date the Foundation has raised over \$17 million and funded; a Brain Cancer Biobank, Travel Grants, multiple research projects around Australia including three Fellowships and multiple Brain Cancer Care Coordinators. Amazing! And all thanks to our supporters and our tireless volunteers.

This is a very special charity for me personally as in August 2016 my little family lost my Husband and my Daughter's father David aged 41, to an undiagnosed Brain Tumour. It was very sudden and he had been symptom free. Our family as we knew it was changed forever. David had a love of football and was a lifelong fan of the Parramatta Eels so this Charity is a perfect one to support.

This is our **fourth** Beanie Day, I am so proud of all the donations that Caddies Creek have already raised. Let's see if we can beat last year's final donation of \$1481.

Go Team Caddies!

Library News

Book Week Author / Illustrator Visits – Just a reminder of the dates of our upcoming author and illustrators visits:

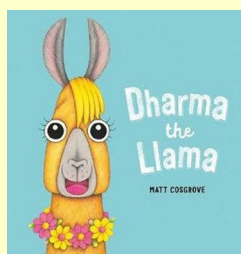

- Friday 14th August - **Matt Cosgrove** visiting our Kindergarten & Year 1 classes
- Tuesday 25th August – **Aura Parker** is visiting our Year 2 & Year 3 classes
- Thursday 27th August- **Mick Elliott** is visiting our Year 4, Year 5 & Year 6 classes

As the P & C is very kindly **funding our 3 upcoming author / illustrator visits**, (rather than parents being required to meet these costs), no permission notes need to be issued.

Any students who have their own **personal copies of Matt, Aura or Mick's books**, are most welcome to bring the books to the Library, in the coming weeks. Mrs Scheffers will have these books **autographed** by the relevant author. Please have the student's name and class written inside the book(s) or on a sticky note or on piece of paper. The signed books will be returned to the students the following day after the visit.

Closing date for Reading Challenges – Just a reminder that the closing date for our school's various Reading Challenges is fast approaching: **Friday 14th August**. Students need to give their completed reading forms to a member of the Library Staff. Currently we have several students who have not completed and / or validated their Premier Reading Challenge forms online. Please make sure this is completed by the closing date.

This Week's Quote

"A child educated only at school is an uneducated child."

Assembly Times

Friday assemblies are postponed until further notice.

Merit Awards – Each week two children in each class receive a **Merit Award** to acknowledge the excellent work they are doing in the classroom (31st July):

P&C News

School Banking: Last week we advised that all students that made at least one bank deposit at school in term 1 would be receiving a special reward sometime this week. Unfortunately, there has been a delay in the shipment of these prizes to the school which means that the children won't receive their reward until sometime during Week 5 (week commencing 17th August). We apologise for the delay but it was something completely out of our control. As soon as we receive them, we will work on distributing them as quickly as possible. We thank you for your patience.

Mufti Day: We are very pleased to advise that the P&C will be running a mufti day for all students in Week 8 on **Wednesday 9th September**. This means that all students can come dressed in casual clothes with enclosed footwear. Students are not permitted to wear thongs, slides, sandals or any open-toed footwear. The P&C are requesting a gold coin donation from students which will be collected by their classroom teacher in the morning. The funds raised will be used to purchase updated games and indoor activities across all stages. We are very excited that we can run this fundraiser for the kids and we thank you in advance for your support.
