News from the Principal

Dear Parents/Carers,

Wow! What a wonderful Open Day and Book Week. Thank you to our Open Day committee lead by Mrs Fletcher and our Book Week committee lead by Mrs Scheffers. Thank you also to all families who joined us on Tuesday to allow our students to showcase their learning to their families. Our students and staff were delighted to share their learning journeys and for you to see their growth in their learning this year. Thank you to all families who supported the fundraising efforts of Year 6. If you would still like to purchase a Bauble of Hope please pop into the office. I would like to acknowledge the hard work of all our staff and teachers. While this year started under difficult circumstances, we have shown the Caddies community's strength in uniting together for our students and Open Day certainly was a celebration of this wonderful community.

Thank you to all parents and family members who were able to join us on Open Day. Our wonderful Year 6 students raised over \$3000 on the day through artwork sales.

PEER SUPPORT

Next week in Peer Support the children will identify their strengths. Through the activities, children will be able to recognise which strengths they possess. They will realise how important it is to use their strengths in different situations. During the week you might like to encourage your child to share their strengths with you.

YEAR 6 MEDIA TEAM

We have established a Year 6 Media Team. This enthusiastic team has been given the responsibility to take photos at special events. We have purchased 3 cameras to support us in recording our learning journey throughout the year. Please remember to join the school Facebook page so you can see more of our wonderful photography done by our talented photographers. Thank you, Mrs Nammour, for your work with the team.

Our upcoming **Father's Day stall** and our **Colour Explosion Fun Run** are coordinated by our hard-working P&C in the support of student wellbeing and fundraising for new school resources. I would like to thank them for their ongoing support of the school. If you haven't already, please take the time to read through the information sent home and set up your child's account. Fundraising started on the 1st August. The kids can earn some great prizes as they raise money and of course the day of the event will be so much fun. All the money raised from the Caddies Colour Explosion will go towards upgrading and purchasing new technology across the school. *Please see below if you **do not** wish for your child to participate in the colour fun run.*

AUSTRALIAN GIRLS CHOIR

The **Australian Girls Choir** will be visiting our school to hold assessment workshops with interested girls. If your daughter is interested please visit the front office for an information sheet.

INTERSCHOOL CHESS SEMI-FINALS Our Interschool Chess Semi-finals were held yesterday at Baulkham Hills North public school. 82 participants from the 15 schools qualified in the local heats. Well done to our team of Eric, Jorawar and Vihaan. Vihaan came in 2nd place overall.

TERM 3 PARENT TEACHER INTERVIEWS

By next Friday an email will have been sent home with the link and code to book in for parent/teacher interviews. These interviews are optional and are for parents/teachers to discuss the progress of students and any additional supports that are in place to promote growth and attainment.

School financial support can be offered to families who are currently undergoing hardship due to loss of income etc. If you are experiencing difficulties providing for your child, please contact the office to organise a meeting. The school is here to support students and their families during periods of financial distress.

Next week is SASS week where we celebrate the amazing work of our School Administration and Support Staff. If you are at the school, please ensure you remember to thank them for the amazing job they do for the students, staff and community here at Caddies Creek. We will showcase them in next week's Chronicle.

News from the Deputy Principal

It has been a very long time since we had a 'whole school' event, but we finally did on Tuesday, celebrating both Open Day and Book Week. It was wonderful to see so many parents on site and students enthusiastically showcasing their learning, achievements, and talents. A BIG thank you to the Open Day committee for organising such a wonderful morning. The weather was perfect, and many families rolled out their picnic baskets in the playground for morning tea. It was fabulous seeing all the students in their book character costumes. Similarly, Miss Tolsher and I were also part of the action. We thoroughly enjoyed dressing as 'Oompa Loompa's' from Charlie and the Chocolate Factory.

It's nearly here, Year 6 Camp is now less than 4 weeks away! Similarly, the Year 5 camp is getting closer, early in Term 4. The students are so excited, and no doubt will represent our school beautifully. It is wonderful to see our school community engaging in exciting activities that build on our social interactions.

Kindergarten Orientation will commence in term 4. If you have not enrolled your kindergarten student for Kindergarten 2023, please do so **now**. It is vital we know our kindergarten enrolments for staffing for 2023.

Dear Parent/Guardian

RE: School Run4 Fun Colour Explosion – Parent Consent

Thank you to date for your support with the P&C Run4Fun Colour Explosion. The event is less than 2 weeks away which is very exciting. The event will be held between 11am – 3pm on Thursday 8th September 2022 on the school oval.

It is our responsibility to seek permission for your child to participate in the School Run4Fun Colour Explosion. All measures have been taken to ensure that this event is safe for all students.

There will be various colour powder stations throughout the course. Your child can still participate in the event should you not wish for them to be sprayed with colour powder (they will be asked to approach the powder stations with crossed arms if they don't want to be puffed with powder) but it should be noted that we can't guarantee that they won't get some powder on them especially if it is a windy day.

The P&C volunteers will do their best to throw the powder at the torso, however wind and other factors can cause the powder to protrude on the face. Children will be provided with a pair of sunglasses for the event or children can bring in their own goggles to wear if you'd prefer.

The colour powder used in the event is non-toxic, biodegradable and environmentally friendly consisting of 98% corn starch and 2% food colouring. It will likely washout of your child's clothing, however we recommend that your child wears a plain white shirt that you don't mind being coloured. That's what the event is all about!

Based on the toxicology profiles of the powders used, their concentrations in the formulation and the mode of use, the colour powder is considered safe for use. Students with lung issues such as asthma are advised to be careful in their decision to participate.

Should you wish to view the ingredient listings and toxicology risk assessment of the powder, please see a P&C Executive member or visit our Facebook Events page @CCPSPCEvents where they will all be posted.

Get ready for a **BLAST OF COLOUR**, and thanks in advance for your support! Happy fundraising!
